Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III [X]

1 Briefly describe the organization's mission: Democracy Fund Voice is an organization established in 2014 to conduct and support advocacy that will produce a stronger, healthier democracy in the United States.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? [] Yes [X] No

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? [] Yes [X] No

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses.

4a (Code:) (Expenses \$ 8,038,437. including grants of \$ 7,143,000.) (Revenue \$) Elections and Voting:

Voting is one of the most significant ways for people in the United States to participate in democracy. But our voting system wasn't built to support equitable participation. To develop a free, fair, and equitable election system, our Elections program supports those who are building voting power in their communities, while strengthening our election infrastructure to promote an election system that consistently produces trusted results, fairly represents the majority of voters, and makes equitable participation possible.

4b (Code:) (Expenses \$ 3,122,335. including grants of \$ 1,800,000.) (Revenue \$) Vibrant and Diverse Public Square:

Reliable information is getting harder to find, leading to less informed voters and greater threats to democracy. To increase civic participation, the Public Square program invests in organizations and leaders who believe in the power of accurate and accessible information as a force for justice and democracy and work to ensure communities have access to the information they need, online and offline.

4c (Code:) (Expenses \$ 5,165,812. including grants of \$ 4,865,000.) (Revenue \$) Representative and Accountable Governance:

In a healthy democracy, government institutions and officials work in service of all constituents and welcome different points of view. Governance strategies seek to strengthen the pro-democracy movement, defend against authoritarian threats, and advance long-term, structural change by shifting power to the people and away from a select few. This work requires a long-term, thoughtful approach that recognizes that anti-democratic practices aren't confined to specific geographic locations or people.

4d Other program services (Describe on Schedule O.) (Expenses \$ 1,813,698. including grants of \$ 400,000.) (Revenue \$)

4e Total program service expenses 18,140,282.

Form 990 Part VII

This note explains the relationship between DFV and DFI and how that relationship is reflected in DFV's responses to questions in Part VII. As explained in Democracy Fund Voice's Form 1024, Democracy Fund Voice and Democracy Fund are parties to a cost-sharing agreement, under which Democracy Fund charges Democracy Fund Voice for its proportionate share of office space, employee services, and administrative expenses. DFV and DFI, however, are not "related organizations" under the Form 990 definition of that term. Therefore, this Form 990 does not include Schedule R, where related organizations are required to disclose information about shared costs and services. In the interest of clarity and transparency, DFV has disclosed that information concerning individuals listed on Part VII through its responses there and this note.
